Re: Clerkship Applications to the Delaware Supreme Court

The Justices of the Delaware Supreme Court are now inviting applications from promising third year candidates for law clerk positions for the year beginning September 2011. The Delaware Supreme Court is one of the most challenging, important and exciting courts in the nation for a judicial clerkship. The Court has a rich and busy mixture of corporate, business, criminal, insurance, tort, and other litigation which is on the cutting edge of national jurisprudence. Placement in clerkship positions in our Chambers is a highly competitive process. Many of our law clerks have gone on to prestigious positions in the profession.

The Delaware Supreme Court is the highest court in Delaware. The Court has one of the heaviest caseloads among all of the highest state courts because Delaware does not have an intermediate appellate court. The Court holds arguments and considers cases on the briefs twelve months of the year. Despite the caseload, the Court is current in its work and renders final dispositions (opinions and orders) on an average of 40 days from submission. The Court's decisions, particularly in the corporate and business law areas, are respected as among the most authoritative in the nation. This role brings with it a responsibility for scholarship, accuracy, coherence, and lucidity.

Please review the Judicial Clerkship Vacancy Announcement which denotes the availability of judicial clerkships with the Delaware Supreme Court for the year commencing September 1, 2011. The deadline for the receipt of applications is November 15, 2010. Individual Justices usually select a law clerk prior to the deadline date. The Delaware Supreme Court is an equal opportunity employer. Women and minorities are encouraged to apply.

The salary figure of \$48,770.80 is the current law clerk salary. There is the possibility that the Governor will recommend a salary increase for all State employees in the FY2012 budget submission.
