PREAMBLE TO QUESTIONS 25, 26, 27 and 28

In connection with this application, the Delaware Board of Bar Examiners (the "Board") makes inquiry about recent mental health and addiction matters. This information, along with all other information, is treated confidentially by the Board. The purpose of such inquiries is to determine the current fitness of an applicant to practice law. The mere fact of treatment for mental health problems or addictions is not, in itself, a basis on which an applicant is ordinarily denied admission.

The Board does, on occasion, deny certification to applicants whose ability to function is impaired in a manner relevant to the practice of law at the time that the licensing decision is made, or to applicants who demonstrate a lack of candor by their responses. This is consistent with the public purpose that underlies the licensing responsibilities assigned to the Board; further, the responsibility for demonstrating qualification to practice law is assigned to the applicant.

FOR PERSONS WHO SEEK AN ACCOMMODATION FOR TESTING PURPOSES, A SEPARATE APPLICATION MUST BE COMPLETED AND FILED WITH THIS APPLICATION PURSUANT TO BOARD RULE 15.

The Board does not, by its questions, seek information that is characterized as situational counseling. Examples of situational counseling include stress counseling, domestic counseling, grief counseling, and counseling for eating or sleeping disorders.

Question 25 Within the past five years, have you been diagnosed with or have you been treated for bi-polar disorder, schizophrenia, paranoia, or any other psychotic disorder?

- Yes
 No

If 'Yes', complete FORMS 25A and 25B. Duplicate FORMS 25A and 25B as needed.

Question 26 A. Do you currently have any condition or impairment (including, but not limited to, substance abuse, alcohol abuse, or a mental, emotional, or nervous disorder or condition) which in any way currently affects, or if untreated could affect, your ability to practice law in a competent and professional manner?

- Yes
 No

B. If your answer to Question 26(A) is affirmative, are the limitations or impairments caused by your mental health condition or substance abuse problem reduced or ameliorated because you receive ongoing treatment (with or without medication) or because you participate in a monitoring program?

If your answer to Question 26(A) is negative, please answer Question 26(B) in the negative as well.

- Yes
 No

If your answer to Question 26(A or B) is yes, complete FORMS 25A and 25B. Duplicate FORMS 25A and 25B as needed. As used in Question 26, 'currently' means recently enough so that the condition could reasonably have an impact on your ability to function as a lawyer.

Question 27 Within the past five years, have you ever raised the issue of consumption of drugs or alcohol or the issue of a mental, emotional, nervous, or behavioral disorder or condition as a defense, mitigation, or explanation for your actions in the course of any administrative or judicial proceeding or investigation; any inquiry or other proceeding; or any proposed termination by an educational institution, employer, governmental agency, professional organization, or licensing authority?

CANDOR / CERTIFICATION OF COMPLETENESS

[Edit Application](#)

CANDOR

Delaware Supreme Court Rule 52(a)(1) relating to admission to the Bar provides that no person shall be admitted to the Bar unless the applicant shall have qualified by producing evidence satisfactory to the Board that the applicant is a person of good moral character and reputation and that the applicant possesses such qualities, aptitudes and disposition as fit the applicant for the practice of law. In considering good moral character, the Board attempts to view an applicant as a whole person and to take into account the applicant's entire life history, rather than limit its view to isolated events in the applicant's life. It is the practice of the Board in this regard to require each applicant to appear, typically in October or November, for a personal interview with a member of the Board, and you will be contacted to set up such an interview. The Board's inquiry into an applicant's moral character emphasizes honesty, fairness, candor, and respect for the rights of others, for the laws of Delaware and the United States.

Board of Bar Examiners Rule 7 states:

Consistent with the requirements of Rule 8.1 of the Delaware Lawyers' Rules of Professional Conduct, each applicant for admission to the Bar has a duty to be candid and to make full, careful, and accurate responses and disclosures in all phases of the application and admission process. The Board requires that each applicant respond fully to its inquiries, and it relies on the applicant's responses and disclosures in making its assessment of the applicant's fitness for admission to the Bar. The Board's investigation of the applicant's fitness for admission to the Bar is a continuing one and, accordingly, until the applicant's admission to the Bar, the applicant must continue to provide any information or material not previously disclosed that relates to the Board's fitness investigation.
