**RE: State v. Amber Sheridan**  
**I.D. No.: 1309013169**

Counsel:

The Court has reviewed the memoranda relating to Defendant's Motion to Suppress, which is scheduled for argument tomorrow, February 28, 2014, at 2:00 pm. As Defendant's motion correctly points out, the "narrow issue before [the] Court is whether the administrative warrant obtained by [Officer DuPont of] Probation and Parole, as opposed to a search warrant," violates the Fourth Amendment because Defendant was not a probationer and did not otherwise reside with a probationer.

Unless the State can offer some case law indicating a warrantless administrative search of a non-probationer's home, where no probationer resides, is constitutional, the Court will cancel tomorrow's argument and rule on the papers based upon the undisputed facts.

**IT IS SO ORDERED.**

Yours very truly,

/s/Jan R. Jurden
