## ORDER

This 27th day of March 2015, it appears to the Court that:

(1)    On February 4, 2015, the appellant filed a notice of appeal that referred to a December 5, 2014 Superior Court sentencing, but attached a January 5, 2015 Superior Court order denying a motion for reduction/modification of sentence.   The Senior Court Clerk informed the appellant an appeal of the December 5, 2014 order appeared to be untimely and that if the appellant intended to appeal the January 5, 2015 order, then he needed to file an amended notice of appeal by February 19, 2015.   The appellant did not respond to the Senior Clerk's letter or file an amended appeal by February 19, 2015.

(2)    On February 23, 2015, the Chief Deputy Clerk issued a Supreme Court Rule 29(b) notice, by certified mail, directing the appellant to show cause

why this appeal should not be dismissed for his failure to file the notice of appeal within thirty days of the imposition of his sentence. The notice to show cause was sent to the address provided by the appellant in his notice of appeal. On March 13, 2015, the notice to show cause was resent by first class mail.

(3)     On March 24, 2015, the notice to show cause sent by certified mail was returned to the Clerk's office with the notation "Return to Sender, Unclaimed, Unable to Forward." Because the appellant has not provided a current mailing address to the Court and has failed to respond to the notice to show cause within the required ten-day period, dismissal of this action is deemed to be unopposed.

NOW, THEREFORE, IT IS HEREBY ORDERED, under Supreme Court Rules 3(b)(2) and 29(b), that the within appeal is DISMISSED.

BY THE COURT:
