Before HOLLAND, BERGER and RIDGELY, Justices.

## ORDER

This 5th day of November 2013, it appears to the Court that:

(1) The plaintiff-appellant, Frederick H. DiRienzo, has petitioned this Court, pursuant to Supreme Court Rule 42, to accept an appeal from the interlocutory order of the Court of Chancery dated September 30, 2013, which dismissed derivative counts IV-VIII of DiRienzo's complaint for

failure to make demand and dismissed counts I and III as to the special

committee for failure to state a claim.

(2) The appellant filed his application for certification to take an

interlocutory appeal in the Court of Chancery on October 10, 2013. On

October 30, 2013, the Court of Chancery denied the certification application

on the ground that the requirements of Supreme Court Rule 42 had not been

met.

(3) Applications for interlocutory review are addressed to the

sound discretion of this Court. In the exercise of its discretion, the Court has

concluded that the appellant's application for interlocutory review fails to

meet the requirements of Rule 42 and, therefore, should be refused.

NOW, THEREFORE, IT IS ORDERED that the interlocutory appeal

is REFUSED.

BY THE COURT:

/s/ Randy J. Holland

Justice
