ORDER ESTABLISHING SCHEDULING CONFERENCE

The Court will hold a scheduling conference with _____, Esquire and _____, Esquire on **May 1, 2015 at 9:15 a.m.** via **telephone**. At this conference, the Court will (among other things), set deadlines for completion of discovery, the filing of dispositive motions, ADR, as well as set dates for the pretrial conference and the trial.

Note: If *all* counsel believe that a scheduling conference is not needed at this time because the parties have already initiated efforts to resolve this case and believe that such efforts may well be successful in the near future, counsel for Plaintiff(s) should advise the Court within two weeks of the date of this Order that all parties believe a scheduling conference is not presently needed. The Court will then indefinitely postpone the scheduling conference otherwise established in this order. In this event, Plaintiff(s)'s counsel shall provide the Court with a status report about this case within 60 days of the date of this Order.
