CIVIL FILING BY EMAIL

FAMILY COURT OF THE STATE OF DELAWARE

<https://courts.delaware.gov/family>

Family Court has expanded the ability of litigants and practitioners to file in civil cases by email. This process will remain in effect until an electronic filing system is implemented in Family Court.

What case types can be filed by email?

In accordance with Family Court's Standing Order #3 issued June 29, 2020 (attached) and Rule 79.2 of the Family Court Rules of Civil Procedure, litigants may file pleadings and papers via email in the following case types using the assigned email:

- Custody and Visitation Cases: FC_CustodyVisitation@delaware.gov
- Divorce and Ancillary Cases: FC_DivorceAncillary@delaware.gov
- Protection from Abuse Cases: FC_PFA@delaware.gov
- Guardianship Cases: FC_Guardianship@delaware.gov
- Child Support Cases: FC_ChildSupport@delaware.gov
- Termination of Parental Rights, Adoption, and Dependency/Neglect Cases: FC_CDN_TPR_Adoption@delaware.gov
- Adult and Juvenile Expungement Cases: FC_Expungement@delaware.gov
- Substantiation Cases: FC_Substantiations@delaware.gov
- Minor Name Change Cases: FC_MNC@delaware.gov

What documents can be filed by email?

As provided in Rule 79.2 of the Family Court Rules of Civil Procedure, pleadings and papers related to the above referenced case types can be filed using the appropriate email. This means that petitions, answers, motions, and any required papers can be filed through the email address for the specific case type. Although you can file answers, motions, and other papers with the Court by email, you are still responsible for serving copies of these documents on the other parties. Please see additional information below.

**** PLEASE NOTE: Evidence for in person hearings must be brought into the courthouse; it cannot be submitted electronically and will not be processed if submitted electronically. If you have a remote hearing that you would like to submit evidence for, please send it to one of the below email addresses. Please also refer to our guide for submitting evidence to Family Court located on our website: [Submitting Evidence to Delaware Family Court](#)**

- New Castle County: FC_NCC_Evidence@delaware.gov
- Kent County: FC_Kent_Evidence@delaware.gov
- Sussex County: FC_Sussex_Evidence@delaware.gov

What format do my documents need to be in?

PDF or Word is the preferred format for all documents. We cannot accept documents that require us to click on a link to open them, or documents that are stored on cloud-based services such as a Google Drive. We also can no longer accept photos of documents. Please see [How to Make a PDF Instruction Sheet](#) for more help. If your documents are not in PDF or Word format, they will be returned to you.

**** PLEASE NOTE: If your filing is over twenty-five (25) pages, we cannot accept it electronically. Please file in paper format at any of Family Court's courthouses. Each location has a drop box where filings can be left outside of court operating hours.**

I am filing a petition, what other forms do I need to file with my petition?

Each petition has forms that are required to be filed along with the petition. The required forms for each petition are listed in the Instruction Packet and Frequently Asked Questions related to the specific case type. Please review the applicable Instruction Packet and FAQ for information on the required forms, which are available on the Family Court website: <https://courts.delaware.gov/family>

What else do I need to do when sending an email containing a filing, pleading or paper?

Other than including the required forms, which is explained in the individual instruction packets for each case type, please include this information, if applicable, in the subject line of your email:

- If your filing contains a request for an emergency hearing, please put EMERGENCY REQUEST in the subject line of the email.
- If you have a hearing coming up, please put HEARING xx/xx/202x in the subject line.
- Include the parties' names, such as Smith vs. Smith, in the subject line.
- Include your existing file number, if you have one, in the subject line.

An example would look like:

EMERGENCY REQUEST Hearing 12/1/2023 Smith vs. Smith CS23-00000

If I am filing a petition by email, how do I pay the filing fee?

When filing by email, you may only pay by credit card. Family Court staff will call you for credit card information. Because of this, it is important that you include your phone number in the email communication to the Court. **Your petition will not be considered fully processed until the filing fee is paid.** As explained below, if you are unable to pay by credit card, you may file by mail enclosing a check or money order with your petition.

How are the documents filed by email served on the other parties?

The Court will continue to serve petitions filed by email. All other pleadings and papers (including answers, motions and reports) must be served by the parties. This means that if you are filing by email any document other than a petition, you must send a copy of the document to all of the other parties as required by the Family Court Rules of Civil Procedure.

How can I sign a document I want to file by email?

Rule 79.2 of the Family Court Rules of Civil Procedure provides that signatures on pleadings and papers filed by email can be either handwritten or electronic. If an electronic signature is used, it must be in the format of "/s/ Full Legal Name."

What if my document needs to be notarized or requires an affidavit?

Rule 79.2 of the Family Court Rules of Civil Procedure further provides that for most pleadings and papers filed by email Unsworn Declarations can be used instead of verifications, sworn declarations, affidavits, and notarized signatures. Family Court Form 677 (available at <https://courts.delaware.gov/forms/>) may be used with applicable pleadings and papers that are submitted without being notarized.

**** PLEASE NOTE: An Unsworn Declaration may not be used with a Parental Consent to any of the following: Termination of Parental Rights, Permanent Guardianship, or Guardianship, with a Consent Parentage Decree, or with any Consent filed in an Adoption proceeding.**

What if I am unable to file my petition, answer, or papers by email?

Pleadings and papers may still be mailed to the Family Court. Family Court will also accept pleadings and papers delivered in person to any Family Court courthouse. Each Family Court location also has a drop box that litigants may use. In New Castle County, there are blue bins located after the security checkpoint. In Kent and Sussex County, there is a drop box at the entrance of the Family Court building. When the courthouses are open to the public, litigants may also file directly with Family Court staff. Self-represented litigants are reminded that forms and information are available 24 hours a day on the Family Court website at <https://courts.delaware.gov/family/>.

The Instruction Packet says that I need to file the original and one (1) copy of my petition and required forms. Do I need to do that if I am filing by email?

No, Family Court will print the emailed filed petition and required forms to serve them on the respondent(s). Please also note that you will not receive a “clocked-in” copy for your records. For your records, you should print out the documents you filed along with a copy of the email you sent to the Court. These documents can serve as your copy.

**** PLEASE NOTE: If a filer is having difficulty filing via email and there have been more than five (5) attempts with no complete filing, you will receive a response requesting that you file in person at any of Family Court’s locations so that staff can better assist you.**
