RE: Fringer v. Kersey Homes, Inc.
C.A. No. 9780-VCG

Dear Counsel:

I have Plaintiff's Motion for Reargument or in the alternative Motion to Amend Memorandum Opinion dated July 2, 2018. No response by Defendants is necessary. Proper grounds for granting a motion for reargument are that the Court, in its decision, has made an error of law or a misapprehension of fact, fundamental to its opinion. Upon review of the Motion, I find that it is without merit and is therefore denied.

The parties should attempt to agree to the appropriate method of administration of a remedy in this case. I will convene an office conference within two weeks concerning the appropriate remedy. To the extent that the foregoing requires an order to take effect, IT IS SO ORDERED.

Sincerely,

/s/ Sam Glasscock III

Vice Chancellor
