ORDER

After careful consideration of the parties' briefs and the record on appeal, we conclude that the judgment below of the Court of Chancery in its post-trial opinion dated July 6, 2018 and its final order and judgment dated December 10, 2018 should be affirmed. Although we need not address every nuance of the complex record, the factual record and carefully detailed findings by the trial court adequately supports the conclusions of the Court of Chancery.

NOW, THEREFORE, IT IS ORDERED that the judgment of the Court of Chancery is AFFIRMED.

BY THE COURT:

/s/ James T. Vaughn, Jr.
