ORDER

This 7th day of January, 2021, after careful consideration of the parties' briefs and the record on appeal, it appears to the Court that the judgment of the Superior Court should be affirmed on the basis of and for the reasons stated in its February 6, 2020 bench ruling. We are satisfied that the Superior Court's findings regarding the parties' intentions under a compensation arrangement evidenced by an ambiguous e-mail exchange are supported by the record and were the product of an orderly and logical reasoning process. In addition, we agree with the Superior Court's conclusion that, even if the appellant's understanding of the arrangement were correct, the appellant did not prove her damages to a reasonable certainty.

NOW, THEREFORE, IT IS ORDERED that the Superior Court's judgment is
AFFIRMED.
