GIBSON A. HALL,	§
	§ No. 51, 2024
Defendant Below,	§
Appellant,	§ Court Below–Superior Court
	§ of the State of Delaware
v.	§
	§ Cr. ID No. 88004234DI (N)
STATE OF DELAWARE,	§
	§
Appellee.	§

Submitted: April 18, 2024

Decided: June 28, 2024

Before **VALIHURA, TRAYNOR**, and **LEGROW**, Justices.

ORDER

After consideration of the appellant’s opening brief, the State’s motion to affirm, and the Superior Court record,¹ we find it evident that the judgment below should be affirmed on the basis of and for the reasons cited by the Superior Court in its January 16, 2024 order denying the appellant’s repetitive² motion for postconviction relief.³

¹ The appellant has also filed a motion asking the Court to take judicial notice of the motion for postconviction relief that he filed in the Superior Court because the State omitted a portion of that motion from its motion to affirm. The Superior Court transmitted the entire trial court record—including the appellant’s most recent motion for postconviction relief—to the Court in connection with his appeal. The appellant’s motion to take judicial notice of that postconviction motion is therefore moot.

² It appears from the record that the Superior Court’s order on appeal denied the appellant’s fourth motion for postconviction relief.

³ *State v. Hall*, 2024 WL 168387 (Del. Super. Ct. Jan. 16, 2024). To the extent that the appellant questions the authenticity of the copy of the indictment that the Superior Court provided to him

NOW, THEREFORE, IT IS HEREBY ORDERED that the judgment of the Superior Court be AFFIRMED.
