

## **Coronavirus (COVID-19) Frequently Asked Questions**

As the State of Delaware continues to prepare for potential impacts of coronavirus, also known as COVID-19, Judicial Branch employees are encouraged to review the following Frequently Asked Questions (FAQs). Questions or concerns should be discussed with your supervisor in consultation with your Human Resources Representative.

This guidance is provided given the circumstances relating to the coronavirus (COVID-19) and is not applicable to any past events and does not create an expectation that these guidelines will continue beyond the COVID-19 situation.

In the FAQs below, **Paid Emergency Leave** is defined as paid leave available to all employees whose absences are due to COVID-19.

### **1. What is coronavirus (COVID-19)?**

A novel coronavirus is a new coronavirus that has not been previously identified. The virus causing coronavirus disease 2019 (COVID-19) is not the same as the coronaviruses that commonly circulate among humans and cause mild illness, like the common cold.

### **2. I am worried about being exposed to COVID-19 at work. How can I reduce my risk?**

Employees are always encouraged to use general precautions (at work, in public, or at home). Precautions include:

- Wash your hands with warm soapy water for at least 20 seconds each time.
- Avoid touching your eyes, nose and mouth with unwashed hands.
- Avoid close contact with people who are ill.
- Cover your mouth and nose with a tissue when you cough or sneeze.
- Refrain from reusing tissues after coughing, sneezing, or blowing your nose.
- Clean and disinfect surfaces that are frequently touched (cell phones, desk phones, keyboards, remote controls, countertops, refrigerator and door handles, etc.).
- Stay home from work if you are sick.
- Minimize your direct contact with others who may be unwell or who are vulnerable to illness.
- Get your flu vaccine if you have not already done so.

### **3. What should I do if I think I am sick, but I don't know if I have been exposed to COVID-19?**

If you have symptoms of fever and cough or shortness of breath and have not had any known exposure to or tested positive for COVID-19, you should contact your health care provider for further guidance. Anyone with a fever should stay home until at least 24 hours after their fever is gone and symptoms have improved.

#### **4. What should I do if I have been exposed to COVID-19 but do not have symptoms associated with the virus?**

If you have reason to believe you have been exposed to the virus, **you should contact your health care provider or the Delaware Division of Public Health (DPH) at (866) 408-1899. Notify your supervisor that you have taken this step.** Employees may be required to remain under quarantine due to exposure to COVID-19 even if they are not symptomatic. If you are told by a health care provider or public health official that you should be under quarantine due to potential exposure, you should not report to work, should notify your supervisor, and should provide written documentation as soon as possible that you are under quarantine, and you will be eligible for Paid Emergency Leave. Once you have completed the required monitoring, isolation or quarantine period and have been cleared by DPH or your health care provider to return to your work, you may do so with written documentation from DPH or your medical health care provider to that effect.

#### **5. What should I do if I have been exposed to COVID-19 and believe I am developing symptoms associated with the virus?**

If you think you are developing symptoms associated with COVID-19 and have reason to believe you have been exposed to the virus, **you should contact your health care provider or the Delaware Division of Public Health (DPH) at (866) 408-1899. Notify your supervisor that you have taken this step.** If you are told by a health care provider or public health official that you should be under isolation due to illness, you should not report to work, should notify your supervisor, and should provide written documentation as soon as possible that you are under quarantine, and you will be eligible for Paid Emergency Leave. Once you have completed the required monitoring, isolation or quarantine period and you have been cleared by DPH or your health care provider to return to work, you may do so with written documentation from DPH or your medical health care provider to that effect.

#### **6. Where do I seek care?**

Employees, pensioners and their covered dependents who are covered under a State of Delaware Health Plan (either Highmark Delaware or Aetna) **should first contact their primary health care provider to report symptoms and seek medical guidance.**

If you do not have a primary health care provider or cannot reach your provider, you may seek medical guidance through telemedicine services. Telemedicine is a service that allows you to have an online video consultation with a doctor to receive a diagnosis and get recommended treatment wherever you are, by using your computer, tablet or smartphone. The doctor can even prescribe medications when appropriate.

Amwell and Doctor on Demand are the telemedicine vendors for Highmark Delaware members, and Teladoc is the telemedicine vendor for Aetna members. There is little to no cost to members for using these services depending on your health plan.

Highmark Delaware members wanting to learn more about telemedicine should visit:  
<https://dhr.delaware.gov/benefits/medical/highmark/telemedicine.shtml>

Aetna members wanting to learn more about telemedicine should visit:  
<https://dhr.delaware.gov/benefits/medical/aetna/telemedicine.shtml>

Employees who are not covered under a State of Delaware Health Plan **should contact their primary health care provider or the Delaware Division of Public Health (DPH) at (866) 408-1899.**

#### **7. Will my insurance cover the cost of COVID-19 testing?**

Co-pays for diagnostic testing related to COVID-19 will be temporarily waived for State of Delaware Health Plan members who require testing per their health care provider or DPH.

#### **8. I am concerned about exposure from a coworker who seems sick. Can I insist that they be sent home?**

If you have a concern about an employee who appears to be sick, speak to your supervisor. If management, in consultation with their Human Resources Office, believes that an employee has symptoms associated with COVID-19, the employee may be sent home or required to not report to work.

#### **9. Will I be notified if someone I work with is confirmed to have COVID-19?**

Employees known to be exposed to an individual diagnosed with COVID-19 will be notified that a case has been confirmed, but the Americans with Disabilities Act protects the identity and medical information of people with communicable diseases.

#### **10. Should I cancel a planned business trip?**

You should seek direction from your supervisor prior to making any decisions related to planned travel; however, all business travel to impacted areas on the CDC list Warning Levels 2 and 3 should be cancelled, <https://www.cdc.gov/coronavirus/2019-ncov/travelers/>. Requests for exceptions to travel to CDC-restricted areas must be reviewed and approved by the Chief Justice or designee. Non-essential business travel should be limited. Essential business travel is determined by each court's Presiding Judge or designee or non-judicial agency Director.

**11. What additional precautions can the Judicial Branch take for employees dealing with the public?**

The Judicial Branch may consider the following precautions:

- Restrict how close the public may come to employees;
- Educate employees to wash hands often and use alcohol-based hand sanitizer frequently; and
- Maintain separate writing utensils and other equipment for the public.

**12. What options are available for Judicial Branch employees who may need to be absent from work as a result of illness from or exposure to COVID-19?**

***Telecommuting***

The option to work from home (telecommute) for employees who need to be absent from work due to COVID-19 may depend on several factors including, but not limited to: job function, essential status, operational requirements of the court or non-judicial agency, and ability to access required technology. You should seek approval from your supervisor if this is an option you are interested in utilizing.

You are required to provide written documentation from your health care provider or a public health official of the requirement to be absent from work. You are also required to provide a letter from DPH or your health care provider indicating that you have completed the required monitoring, isolation or quarantine period as well as provide medical documentation releasing you to full duty prior to returning to work. Judicial Branch employees, with the exception of casual/seasonal employees, who need to be absent from work beyond 30 calendar days, are entitled to utilize leave as provided for in the Supreme Court of Delaware Judicial Branch Personnel Rules, <https://courts.delaware.gov/forms/download.aspx?id=83688>, Chapter 5; the State of Delaware Merit Rules, Chapter 5.0, <https://merb.delaware.gov/state-merit-rules/state-merit-rules-chapter-5/>; and other leave policies as applicable.

Casual/seasonal employees who are directly impacted by COVID-19 may receive pay for up to 30 calendar days of their regularly scheduled hours. You are required to provide written documentation from your health care provider or a public health official of the requirement to be absent from work. You are also required to provide a letter from DPH or your health care provider indicating that you have completed the required monitoring, isolation or quarantine period as well as provide medical documentation releasing you to full duty prior to returning to work.

**14. Am I entitled to use Family and Medical Leave (FMLA) for COVID-19?**

**15. What should I do if I have a delayed return from personal travel?**

If you have a delayed return from personal travel as a result of any state's or country's monitoring or management of COVID-19, or transportation disruptions associated with such monitoring or management, you should contact your supervisor. Judicial Branch employees, with the exception of casual/seasonal employees, may be entitled to utilize leave as provided for in the Supreme Court of Delaware Judicial Branch Personnel Rules, <https://courts.delaware.gov/forms/download.aspx?id=83688> Chapter 5; the State of Delaware Merit Rules, Chapter 5.0, <https://merb.delaware.gov/state-merit-rules/state-merit-rules-chapter-5/>; and other leave policies as applicable.

**16. What happens if the Chief Justice or the Governor closes a state office or facility due to a COVID-19 outbreak?**

If the Chief Justice or the Governor closes any state office or facility due to concerns related to COVID-19, the policy provided for in the Judicial Branch Operating Procedures' Emergency Closures and Pre-Holiday Staffing, <https://courts.delaware.gov/aoc/operating-procedures/op-closures.aspx>, would apply. Under these circumstances, Paid Emergency Leave would not be applicable unless an employee is already being monitored by DPH for symptoms of or exposure to COVID-19.

**17. If I am an essential employee, do I have to report to work if the Chief Justice or the Governor closes State facilities or offices due to a COVID-19 outbreak?**

If the Chief Justice or Governor closes any state office or facility due to concerns related to COVID-19, the policy provided for in the Judicial Branch Operating Procedures' Emergency Closures and Pre-Holiday Staffing, <https://courts.delaware.gov/aoc/operating-procedures/op-closures.aspx>, would apply.

Per the provisions of the Judicial Branch Operating Procedures' Emergency Closures and Pre-Holiday Staffing, <https://courts.delaware.gov/aoc/operating-procedures/op-closures.aspx>, essential personnel are required to report to work for their regularly scheduled shift, unless instructed otherwise by their court or non-judicial agency. An essential employee who is required to work but cannot report to work due to exposure or is showing symptoms of COVID-19 shall immediately notify his or her supervisor and follow the guidance provided in #4 or #5 of this FAQ.

Under these circumstances, the court or non-judicial agency may excuse an essential employee from reporting to work; however, the employee may be required to provide written documentation from their health care provider or a public health official of the requirement to be absent from

work. If the essential employee is unable to provide documentation upon request, he or she may be subject to disciplinary action. You are required to provide a letter from DPH or a health care provider as soon as possible indicating that your immediate family member has been placed under quarantine.

Judicial Branch employees, with the exception of casual/seasonal employees, who need to be absent for more than 14 calendar days for this purpose, are entitled to utilize leave as provided for in the Supreme Court of Delaware Judicial Branch Personnel Rules Chapter 5, <https://courts.delaware.gov/forms/download.aspx?id=83688>; the State of Delaware Merit Rules, Chapter 5.0, <https://merb.delaware.gov/state-merit-rules/state-merit-rules-chapter-5/>; and other leave policies as applicable.
