How do I connect my laptop to State-Guest-Net?

1. **Open** "Connect to a Network" by **Clicking** the wireless icon (III) in the system taskbar.

2. The utility will display any available wireless networks in your area.

3. In the list of available wireless networks, Click on "State-Guest-Net", and then Click "Connect."

Note: You will not actually be connected until you accept the disclaimer and the only way for the disclaimer to appear is by opening an Internet browser.

4. Open Internet Explorer to read and accept the Terms and Conditions of Use.

5. After you have read the Terms and Conditions of Use, Click "Accept."

Accept	Í.			
	-			
Reject				
-	(n. 1			
State	e of Delay	vare	1000	
	The Official W	ebsite for the First	State	

6. Once you have accepted the disclaimer you will have wireless access.

What if my internet browser on my laptop gets an error and does not open to the Terms and Conditions of Use acceptance page?

Note: You may have a preconfigured proxy server on your laptop. Follow these steps to configure your Internet options, disable a proxy server and enable automatic configuration.

- 1. Close all Internet Explorer windows.
- 2. **Click** on the **Start button**, **Open** the Control Panel, Internet Options. **Click** on the "Connections Tab", Click on "Lan settings" at the bottom.

3. Check "Automatically detect settings" and Uncheck "Use a proxy server for your LAN".

4. Reopen Internet Explorer and follow instructions to read and accept the Terms and Conditions of Use.

How do I connect my Android Smartphone to State-Guest-Net?

1. **Tap** the "Settings icon" to open your Smartphone Settings.

2. If Wi-Fi is **OFF**, **Slide** the Wi-Fi switch to the **ON** position.

The device scans for available Wi-Fi networks and displays the names of those it finds. Secured networks are indicated with a Lock icon. *Note*: State-Guest-Net is unsecured.

3. **Tap** the "State-Guest-Net" network name, **Click Connect**.

- 4. You are now connected to **State-Guest-Net** but will still need to read and accept the **Terms and Conditions of Use** before you have internet access:
 - a. You may see a question mark symbol at the top left of your Android phone. **Touch** the "?" and slide downward to reveal the acceptance screen,

b. **OR** open an Internet browser.

5. Read and Accept the Terms and Conditions of Use. You are now connected to State-Guest-Net.
