## CANDOR

Delaware Supreme Court Rule 52(a)(1) relating to admission to the Bar provides that no person shall be admitted to the Bar unless the applicant shall have qualified by producing evidence satisfactory to the Board that the applicant is a person of good moral character and reputation and that the applicant possesses such qualities, aptitudes and disposition as fit the applicant for the practice of law. In considering good moral character, the Board attempts to view an applicant as a whole person and to take into account the applicant's entire life history, rather than limit its view to isolated events in the applicant's life. It is the practice of the Board in this regard to require each applicant to appear, typically in October or November, for a personal interview with a member of the Board, and you will be contacted to set up such an interview. The Board's inquiry into an applicant's moral character emphasizes honesty, fairness, candor, and respect for the rights of others, for the laws of Delaware and the United States.

Board of Bar Examiners Rule 7 states:

***Consistent with the requirements of Rule 8.1 of the Delaware Lawyers' Rules of Professional Conduct, each applicant for admission to the Bar has a duty to be candid and to make full, careful, and accurate responses and disclosures in all phases of the application and admission process. The Board requires that each applicant respond fully to its inquiries, and it relies on the applicant's responses and disclosures in making its assessment of the applicant's fitness for admission to the Bar. The Board's investigation of the applicant's fitness for admission to the Bar is a continuing one and, accordingly, until the applicant's admission to the Bar, the applicant must continue to provide any information or material not previously disclosed that relates to the Board's fitness investigation.***

# EMPLOYMENT AND UNEMPLOYMENT HISTORY

*I certify that this section of my application is complete to the best of my knowledge []*

## PREAMBLE TO QUESTIONS 12 AND 13

For purposes of responding to Questions 12 and 13, the term "employment" means any kind of employment or work, without regard to whether the work was full-time, part-time, or temporary in nature, or whether you were compensated for the work. This includes, for example, self-employment, clerkships (judicial or otherwise), internships, externships, fellowships. It does not matter if you received school credit instead of monetary compensation for the work.

### Question 12

List your employment history since you were eighteen years of age, or the past 10 years, whichever is shorter. If your work history includes temporary employment where you worked for an employer but were paid by a temporary staffing agency, you should identify the company for which you performed the work as the "employer" as well as the temporary staffing agency.

Your employment history must also account for each occasion during which you were unemployed (not working) for at least 30 consecutive days. For each such occasion, in the detail entry below you must identify the period of time you were not working using "From" and "To" to indicate the beginning and ending dates, and in the "Position" text box, describe what you were doing during that period of unemployment. You must also select the correct designation so that the system does not indicate that your employment verification is pending when none is expected.

If you are self-employed, or were self-employed at any point during the time period covered by this question, complete the detail entry, which must identify a reference who can verify the nature and length of your self-employment.

**NOTE:** The Board must receive an online certification for all employment or practice, which must be completed online by your employers by July 1st.

If an employer is no longer in business, indicate the date that the employer went out of business. Do not send an employment certification request but include the employer in this list.

**PLEASE NOTE:** You do not need to upload copies of your employment certification requests. The system will update your application with the relevant data as each employer completes their certification. Check your "Document Checklist" tab to see which employment certification requests have been completed and which remain outstanding.

### PREAMBLE TO QUESTIONS 26, 27, AND 28

Through this application, the Delaware Board of Bar Examiners (the "Board") makes inquiry about circumstances that may affect an applicant's ability to meet the professional responsibilities of a lawyer. This information, along with all other information, is treated confidentially by the Board. The purpose of such inquiries is to determine the current fitness of an applicant to practice law. Treatment, monitoring, or participation in a support group are not, by themselves, bases on which the Board will deny admission. The Board encourages applicants who may benefit from assistance to seek it.

The Board may deny admission to applicants whose ability to function is impaired in a manner relevant to the practice of law at the time that the licensing decision is made, or to applicants who demonstrate a lack of candor by their responses. This is consistent with the public purpose that underlies the licensing responsibilities assigned to the Board, and the applicant's responsibility for demonstrating qualification to practice law.

The Board does not seek information that is fairly characterized as situational counseling. Examples of situational counseling include stress counseling, domestic counseling, grief counseling, and counseling for eating or sleeping disorders.

**NOTE: APPLICANTS SEEKING TESTING ACCOMMODATIONS FOR THE BAR EXAM DUE TO A CONDITION, DISABILITY, OR IMPAIRMENT DISCLOSED IN RESPONSE TO THESE QUESTIONS MUST COMPLETE AND FILE A SEPARATE APPLICATION FOR TESTING ACCOMMODATIONS.**

**No**
