PREAMBLE TO QUESTIONS 31 AND 32

NOTICE TO DELAWARE APPLICANTS ONLY:

The Board of Bar Examiner of the Supreme Court of Delaware has adopted questions 31-32 which must be answered by applicants for admission in Delaware.

I have read the information above.

Condition or Impairment

31. *The purpose of this inquiry is to allow the Delaware Board of Bar Examiners to determine the current fitness of an applicant to practice law. The fact that an applicant has received or is receiving treatment, counseling, or monitoring, or has participated in a support group is not, in itself, a basis upon which admission will be denied. The Delaware Board of Bar Examiners routinely certifies for admission individuals who demonstrate personal responsibility and maturity in dealing with fitness issues. Applicants who may benefit from assistance should by all means seek it; the Board encourages applicants to promote their own well-being. In the context of the following question, "currently" means recently enough that the condition or impairment could reasonably affect your ability to function as a lawyer upon admission.*

The National Conference of Bar Examiners encourages applicants who may benefit from assistance to seek it.

Do you currently have any condition, disorder or impairment which affects your conduct in a way that may materially hinder your ability to practice law in a competent, ethical, and professional manner?

Yes No

Are the limitations caused by your condition or impairment reduced or ameliorated because you receive ongoing treatment or because you participate in a monitoring or support program?
