

# *What Equity Brings to the Table*

Abby O'Shea

Age: 15

Grade: 9

School: Holy Cross High School

The world is a feast, but not all get fed

Equality is a table; it is fairly spread

But some have less, with plates half bare

Equity, though, can even the share

Same opportunity to dance

Same song to sway

Leveling the field, come what may.

Equality is the word

Equity is the deed

Planting the seed of what we may need.
