Appellee.	§	

Submitted: November 10, 2026
Decided: November 19, 2026

On October 8, 2026, the appellant filed a notice of appeal from certain actions taken by the Court of Common Pleas in his criminal case. The Clerk's Office issued, by certified mail, a notice directing the appellant to show cause why his appeal should not be dismissed for this Court's lack of jurisdiction to consider either an appeal directly from the Court of Common Pleas or a criminal interlocutory appeal. The notice to show cause was sent to the address provided by the appellant in his notice of appeal. On October 29, 2026, the notice to show cause was re-sent by first class mail. A timely response to the notice was due by November 9, 2026. To date, the appellant has not responded to the notice to show cause. Dismissal of this appeal is therefore deemed to be unopposed.

NOW, THEREFORE, IT IS ORDERED, under Supreme Court Rules 3(b)(2) and 29(b), that this appeal be DISMISSED.
