

## Superior Court Access to Court Documents and Docket

Superior Court written opinions can be found on the Delaware Courts website: <https://courts.delaware.gov/opinions>

The Superior Court civil and criminal docket and all non-confidential documents are available for viewing for free through public access terminals located in the courthouses in each of the three counties in Delaware. There is a fee for copies of documents.

Please see Superior Court Public Access to Court Records. <https://courts.delaware.gov/superior/pdf/AdministrativeDirective2000-5.pdf> and utilize the form to request copies of court records.

Remote access to the civil docket is only available through File & Serve Express: <https://www.fileandservexpress.com> (subscription required and fees apply).

Alternately, local document retrieval agencies shown below are able to search the docket and retrieve copies of documents for you. The local agencies are listed below. Each agency may charge a fee. Check their website(s) or call.
